Claire

I just wanted to let you know of a change.

Mr Peter Rawlings who is due to speak at the hearings on behalf of the Chester Road Land Society (as listed on Representors wishing to appear on Site Allocation and Policies) is going to be unable to do so due to ill health.

His brother Mr Steven Rawlings wishes to take his place on the Society's behalf.

I have asked for a letter confirming the circumstances.

The details will be published on the website.

I trust this is in order.

Kind Regards

Bradley
