Dear

Re: Wyre Forest Kidderminster Central Area Action Plan and Site Allocation & Policies Development Plan - Hearing Statements.

I write further to my email dated

I enclose paper copies of those statements sent to you by email for your information.

As I pointed out, these are additional copies of the Hearing Statement, as provided by representors, for those parties who are appearing with you at the Hearings and in order to make you aware of any additional material on those areas of common interest.

Please do not hesitate to contact me should you require any further assistance.

Yours Sincerely/Faithfully

Bradley Gammond
