

## RESPONSE FORM

Please remember that we are consulting on how the Council plans for future land use and therefore comments should be focussed on planning reasons as to why a site should or should not be considered. Please also note that any comments made can not be treated as confidential and will be made public. Comments which are deemed to include racist or discriminatory content will be returned and reported in the consultation as inappropriate content and any comments within those representations can not be considered as part of the consultation process.
