Subject: Modifications Consultation

Dear Mr Gammond

I write to you on behalf of Bewdley Civic Society. For your information we are an amenity society with the main object of conserving Bewdley's built heritage. We have over 500 members.

We refer to Wyre Forest District Council, Site Allocations and Policies Local Plan, Proposed Main Modifications (February 2013). Please note that we are in favour of the Inspector's proposed modifications to allow Open Market Housing on Windfall sites in Bewdley (those of up to 5 dwellings, all other matters being satisfied). Our reasons for this are that we believe this will give greater encouragement to the development of windfall sites and will be of general benefit to the physical, economic and social fabric of the town and the Conservation Areas.

Yours sincerely

**Richard Perrin
