SAL.PDS1 Previously Developed Sites in the Green Belt and associated Reasoned  
Justification at Paragraphs 18.6/18.7/18.10/1 8.11

Dear Mr Gammond

I am very supportive of the amendment to include dwelling houses.

I am also in full agreement with your stipulations as stated:-

“demonstrate no greater visual impact on the openness of the Green Belt than existing development

? be focused on the previously developed parts of the site

? supplement and enhance existing strong landscape framework surrounding the site to improve  
ecological and landscape value

? retain Talbotshill Coppice

? retain existing sport pitches for community use

? investigate opportunities for providing safe, attractive and convenient  
pedestrian and cycle links between the site, Cookley and Kidderminster to

ensure that local facilities are

accessible by alternatives to the car

? make a financial contribution to the provision of affordable housing off-site in accordance with the  
adopted Core

Strategy Policy CP04. “

We hope it results in the development of this site for the benefit of all.

Regards

David Bareford
