Dear Madam

**Wyre Forest District Council
Kidderminster Central Area Action Plan – Bromsgrove Street Area
Arrowcroft Services Ltd**

Following our discussions at the Examination in Public on 1 February 2013 in relation to the above and in particular our concerns in relation to the Council's proposed delineation of policy areas, our client is concerned that we have not yet heard back from the Council. It was our understanding that the Council was going to review its position and revert to us via the Programme Officer.

It would be helpful to understand what the Council's position is on this matter.

Thank you for your help with this matter.

Yours faithfully

Montagu Evans LLP
