Local Plan Review
Have your say

Wyre Forest District Council is reviewing its long term Local Plan and needs to allocate where more housing, employment and supporting services are to be located in the future.

The Council is proposing two options and would like your views. You can read more in our Preferred Options Consultation Document on our Local Plan Review webpage **www.wyreforestdc.gov.uk/ localplanreview**

then

now

the future?

Wyre Forest District is growing

Wyre Forest District Council

Have your say
on the Local Plan

The Local Plan covers topics such as how many new houses are required and where they will go; where should new employment areas be located; what additional services, such as transport and schools, will be needed to support development; and how the environment can be protected.

Copies of the consultation documentation are available on our website and can also be seen at the Worcestershire Hub, Vicar Street, Kidderminster and libraries in the district.

Find out more about how the Local Plan might affect you by visiting us at one of the drop-in sessions.
